AFFICIAL JOURNAL OF THE CITY.

THURSDAY MORNING, : : DEC. 21, 1871.

JOHN JOHNSON.

one may be induced to vote for or against candidate because of his consci THE CHAMBER OF COMMERCE AND The chamber of commerce of this city voting forces will co-operate to any extent, recognizes political as well as practical facts. It asks St. Louis to convoke merchants and steamboatmen in that city. Why not in Mamphis? Marchants are thy class of citizens into such an unholy the shrewdest of practical thinkers. They combination. Therefore we thought the have seen the South constantly victimized by the mode of conducting partisan con-cent needless. His countrymen are too flicts. They have seen these contests share to be invested into a fusion with again and again made to turn simply sharp to be juggled into a fusion with have been so organized, that the detest of Hamiltons. If this alliance be effected one has been accomplished solely by we will have black instead of white pr appeals to northern prejudices against cal hostility has been crystalized in ku- Good. These are facts for the "Boy from klux acts, and to this mode of organizing parties we are indebted for the enslave-States. Coniessing the existence of from Pinch" steeps over cannot occur. this antipathy to the South and On this common ground there is no differthe consequent unwillingness of congress once between the latter-writers, "Irish to recognize any action, even of a commercial body, in a southern city, the and here let them stand on election day Memphis chamber of commerce saks that of St. Louis to convoke merchants of the West and navigators of the Mississippi in fit of "woman suffrage" for the first year that city. In practical action merchants or two of its existence as a territory. thus confess the evils dens by parties de. While there were no women there, or ex-

riving inspiration from prejudices that tremsly few, no serious inconvenience can never be cured until new issues distinguish them. If these merchants are absurdity of it becomes apparent as the not mistaken, they must deem the South territory begins to be settled with faminot mistaken, they must deem the South lermory begins to be settled with laint- fortunate when such a partisan as Sum- lies. A bill to take away the ballot from RETAIL DEPARTMEN ner drives down a wedge between the two women is now called for by a large mawings of the Radical party which no force | lority of the people; has passed both of sectional prejudice can draw forth. A houses of the legislature, and, after new question is sprung. It was old veto from the governor, has again passed many years ago. It was the hob- the house of representatives with only by of Henry Clay, and even of President two opposing votes. But in the senate it Harrison, whose name is almost forgot- is lost for want of one more vote to make en. It was the shibboleth of the old the two-thirds required; and thus the re-Whig party in the days of its pristine purity. A single term of presidential service should be an exaction of constitu-

tional law. On this proposition Demo- newspapers to propose an amendment of crais will concur with many Republicans, the Federal Constitution, and the Federal publicans when the embediment of their tion, by which a foreign-born citizen may VELVET and and especially with those who became Re- Congress is now considering the proposiparty was buried at Ashland. When par- be eligible to the office of president of the ties north begin the struggle on this ques-tion, Grant's virtues and not the misdeeds of the south will constitute the subject of violent dissensions and of relentless hale. It is not strange, therefore, that the Ar-The south emospes, and there is hope for PEAL would condemn that inversion of reedom even in the gulf States. In Know-Nothingism which would make an MARKED AT FIRST COST ! Tennessee we have little reason to Irish Demoorst support a Radical and complsin, but while maintaining the Loyal Lesguer, because he is an Iriahman. supremacy of right and justice here, National and religious prejudice should upon neighboring communities. Meminor to suffered to put Democrats and Rad-leals in the same little bed down in "Happhis is as thoroughly a city of Arkanssa | py Hollow."

gles. Then, when Memphis merchants diagnsted with national politics and was gles. Then, when Memphis merchants would achieve a great public good, they will no longer desin it necessary to escape the disastrons force of northern and he was tires of it—be had got noth prejudices by making some more northing but abuse for it. That it was useless projudices by making some more north-am sity than this the scare of action of a purely practical, non-political, commer-cial convention. The Arrhal will obey the dictates of the national Democratic committee, or convention, but is well pleased to find questions, like this pre-sented by Mr. Summer, injected into the gamine contest; and angely away and coming contest; and surely every old bresent congress, informing him of the Whig will leap to the front, and become a Hoffman of New York, then at News zesions adherent of the party that re-adopts the slogan of Clay. We said, if these are the views and fee ings of Mr. Belmont, is he fit for the pos ion he occupies? Should be not promptle resign and let his post be filled by som The time designated by law for regisis the substance of what we then wrote to seen that more than ordinary interest has been exhibited, as the registration is important than usual. This argues well for the future of Memphis. It indicates that the people feel an interest in the future prosperity of the city. The friends of John Johnson, having secured their continues of registration, must now discharge the still more important duty of voting. Under a government founded on the representative principle, neglect to vote is a tolly which is the beginning of many troubles, and one which never falls to leave wide open the door for the wastetration expired yesterday, and it will be is the substance of what we then wrote to

which point out the corrupting way by which incompetent, unscrupulous and septing demayogues ascend to office. These are truinms which have been so often repeated in the ours of the people that it would seem that they should have made an indelible impression on the corresponding to the control of the presidency against Grant, "

The Atlanta Constitution, of the 12th, some control of the corrupting in the house seld at the above low figures—such as Gloaks, and everything in the house seld at the above low figures—such as Gloaks, and everything in the house seld at the above low figures—such as Gloaks, and everything in the house seld at the above low figures—such as Gloaks, and everything in the house seld at the above low figures—such as Gloaks, and everything in the house seld at the above low figures—such as Gloaks, and everything in the house seld at the above low figures—such as Gloaks, and everything in the house seld at the above low figures—such as Gloaks, and everything in the house seld at the above low figures—such as Gloaks, and everything in the house seld at the above low figures—such as above low figures— the public mind, while experience gives them an indorsement so strong and unvarying that we might expect to find their vital importance universally acknowledged, and carnestly put into practice. But, lamentable to say, the reverse has herestofore been the fact. A change, however, is going on. The people in other cities, who, disgusted with the potsney of rings, have lest all interest in elections, are arousing themselves, and express a determination, for the future, to do their distance of the first sating and injustion of the rings of the distance of the functional form their families, expressed to the humiliation of imprisonment, put in the attitude of alleged offenders against law, subjected to the charge of disorder and crimes, and the examination shows not a scintilla of evidence against them. Truly it is time for this shing to stop. The mocking of law in this matter is sickequing. This mattern is might be a same spirit has taken root in

worthy; but voting is indispensable to DEALERS IN mocoss. It will cost but little trouble and

no expenditure of money to vote. Did it cost much of both, it would still be a duty WINDOW SHADES, owing by every individual citizen, not only to himself, but to the community in CURTAINS, which he lives. We therefore urge upon every friend or John Johnson to attend
